TO GET SPRING WATER

City Council Makes Appropriation for Prospecting—Other Business Done Last Night.

Sewer construction and other street improvement work were acted upon at last evening's city council meeting, presided over by Mayor Pasternacki and at which ten aldermen were present, the absentees being Corlett and King.

C. E. Wert, L. P. Moen and ninety-nine others signed a petition for an arc light at the corner of Main and Division streets, the location made famous by the miniature lake which forms in that section during each rain storm. Upon motion of Alderman McDonald the petition was granted and the lighting committee instructed to have a lamp transferred from some other location.

All owners of property along Normal avenue, Ellis street and Jacobs avenue will be notified to put in lateral pipes for sewer, water and gas connections, these pipes to be laid at intervals of 50 feet.

Comptroller Rogers reported that he had extended pauper aid of \$171.50 during July. Mr. Rogers also made a written statement of the different fund balances on August 1, the largest being: General fund, \$13,920.19; street, \$10,616.57; sewer, \$3,957.68.

Jos. Bambenek and other residents on Washington avenue, asked that drainage pipe be laid across their lots, to abate a nuisance long existing. The public works board will investigate.

L. J. Seeger, secretary of the Retailers' association, wrote the council in reference to licensing fakirs and related an incident more fully referred to elsewhere in this issue.

About 78 feet of cement sidewalk may have to be relaid in front of the Kobella property on North Second street. T. H. Hanna owns the premises and will be asked to have this work done.

The board of public works were instructed to take necessary legal procedure towards opening up a ditch on Union street. Grading will also be done at the corner of Madison street and Illinois avenue.

Chas. Derrick offered to deed the city a strip of land 145 feet on Ellis street and 140 feet on Brawley, to be used for park or street purposes. No action was taken.

\$10,000 of First ward school bonds are due November 1, which bonds will be refunded. City Attorney Murat will report on this matter at a later meeting.

A letter from Attorney General Owen confirmed an opinion given by the city attorney that the local breweries must pay an annual license fee of \$200.00.

The council then went into executive session, at the conclusion of which an appropriation of \$300 was allowed the special committee on city water, this sum to be used in prospecting for an adequate supply of pure water. Aldermen McDonald and Urowski voted against the motion.

The council then adjourned.

MARRIAGE LICENSES.

Martin Blagske of Marshfield to Alice Duranso of Stevens Point. Anton Kujawski to Stella Petrowski, both of Sharon. James Olson to Anna Strand, both of Amherst Junction. John Tampski to Katherine Groschek, both of Stockton. Peter Szerdowski to Agnes Mondalo, both of Stevens Point.

"A ROYAL GENTLEMAN"

In the field of society comedies and romantic dramas Guy and Constance Cauffman are today the most representative stars of any of the traveling companies of this class of production, and need no introduction to the patrons of the theatre, and in the long catalogue of their successes they have essayed no roles so delightful as those they play in "A Royal Gentleman," which Marion Rose has written for their present tour.

This is a pleasant, natural and very interesting comedy in three acts, replete with comic and sentimental happenings in effective alternation and contrast, and they give a less distasteful view of "society" than is usual in plays that satirize that subject. It is a light and graceful comedy, full of bright lines, and the audience is kept in continued good humor.

"A Royal Gentleman" will appear at the Empire theatre on Sunday evening, August 8.

Local Notes.

H. Paul Tick and sister, Goldie, of Clinton, Ill., are guests of their sister, Mrs. Adolph Green, 530 Normal avenue, to remain a couple of weeks. Mr. Tick is in the wholesale produce business in his home city.

For quality, our line of shoes cannot be beat. All sizes and good widths. We handle the famous Huiskamp, Mayer, Red Wing and Thompson lines of work shoes. All new goods. People's Supply Co.

Mr. and Mrs. Max Wirth and family and Mr. and Mrs. Louis Goldberg went to Milwaukee last Saturday in the Wirth auto, intending to stay a couple of days, but because of the bad condition of the roads, have been unable to return. Mr. Goldberg however, returned by train on Tuesday.

Mrs. Eben Thompson of Sarasota, Fla., is in the city, a guest at the home of her brother, J. D. Curran. Mrs. Thompson is a former resident of Stevens Point and before her marriage was Miss Julia Curran. It is eleven years since Mrs. Thompson last visited here.

RENTS WILLIAMS HOUSE.

Miss Helen Parkhurst, director of the department for the training of primary teachers at the Stevens Point Normal, has taken a lease on the Geo. Williams residence at 1037 Main street and during the next school year will make her home there with ten of the young lady students under her supervision. Miss Parkhurst is at present in California, assisting Dr. Montessori, the famous Italian educator, but will return to this city in September.

ENGAGEMENT ANNOUNCED.

Mr. and Mrs. Phil Weber, Sr., announce the engagement of their daughter, Elizabeth Edna, to Frank Stankowski of Stevens Point, Wis. The marriage will take place on September 2, at Our Lady of Angels church in Chicago. The young people will reside in Milwaukee, where Mr. Stankowski conducts a prosperous business. At present Miss Weber is employed as head stenographer for Franklin MacVeagh & Co., wholesale grocers of Chicago.

The above announcement appeared in the Rock Island Argus, published at Rock Island, Ill., July 31. Frank Stankowski is a son of Mr. and Mrs. Michael Stankowski, 825 Briggs street, this city, and is now with the Carbonated Repair Works, 814 Winnebago street, Milwaukee.

ELKS GOOD FELLOWS

Public Invited to Join With Lodges of Three Cities in Picnic Here Next Sunday.

The people of Stevens Point and vicinity—all of them—are given a cordial invitation to attend the first annual joint picnic of the Elks lodges of this city, Grand Rapids and Wausau at Waterworks park, the beautiful woodland spot near the northern city limits, next Sunday, August 8.

The Elks are going to justify the designation, "good fellows," so often applied to them, and they're going to bend every effort toward making the tri-city picnic one that will go down in the annals as one of the biggest and best things ever carried out in Stevens Point. They want everybody to come out and enjoy the day with them, regardless of whether or not they are in any way connected with the order, and in anticipation of a large attendance they have gone the limit in perfecting plans.

The day will officially open at 10 o'clock in the morning, when the Wausau and Grand Rapids Elks will meet on the diamond. After that, until 1:30, picnic dinners will be eaten. At 1:30 Mayor Pasternacki will give an address of welcome on behalf of the city, while another welcoming speech will be given by W. E. Fisher, exalted ruler of the local lodge. Otto Roenius of Grand Rapids, the Elks' state president, will respond. From 2 to 3:30 there will be field sports, after which the winners of the Grand Rapids-Wausau baseball game will play Stevens Point for the championship. The Pearl Divers' club of this city will give an exhibition of fancy diving and swimming at 5:00 and a launch ride for visiting Elks and their ladies at 6:00 will conclude the day's program.

The program of field sports will include a fat men's race, lean men's race, 50-yard dash, ladies' race, sack race, three legged race, pie eating contests and a tug-of-war between the Stevens Point Elks and their visiting brothers. Prizes will be hung up for the various events.

In order to accommodate the many visitors who are expected, as well as the townspeople, automobiles and launches will run all day from Main street to the picnic grounds. Local people are requested to bring their lunch baskets if they intend to spend the day, but, to provide for the visitors, a huge tent will be fitted out for a cafeteria restaurant, where meats, vegetables and other good things will be served. There will also be a stand for the sale of ice cream, soft drinks, cracker-jack, etc., with cane, teddy bear and poodle dog racks as additional amusement features.

The Elks are attempting a big project and, with favorable weather, they will make it a remarkable success. At least they will leave nothing undone that might contribute to the day's pleasure and they are hopeful that the attendance will show that their efforts are not in vain.

NO GAME SUNDAY.

The Stevens Point baseball team of the Wisconsin Valley league will have another day of rest next Sunday. According to the schedule, the locals were to meet Wausau on that day, but owing to the Elks' big picnic, the contest was postponed. They will give the fans a double-header here later in the season, when the Elks, in order to reciprocate, will lend their support toward making the bargain bill the occasion for a booster turnout.

GOOD ROADS MEETING.

A meeting of those interested in the good roads question is called for this evening at 8 o'clock in the council chambers. It is planned to hold a good roads day "party" in Plover on August 27 and H. W. Norton, chairman of that town, is scheduled to be at the meeting and have a few things to say relative to the plan. Plans will be laid to make the event the best yet, and everybody is requested to be on hand.

FAIR TIME IS NEAR

Stevens Point Fair, September 7, 8, 9 and 10—Prospects of Brightest Character.

Five weeks from today the annual Stevens Point fair will be in full swing; the dates for this year's show are September 7, 8, 9 and 10 and, barring unfavorable weather, "bigger and better than ever" promises are going to be fulfilled to a greater extent than ever before.

Stevens Point is this year affiliated with the Central Wisconsin Fair Circuit, recently revived, with Marshfield, Merrill, Wausau, Augusta, Chippewa Falls and La Crosse as the other members. Seven consecutive weeks of racing with short shipments and \$23,000 in purses for speed make this circuit one of the most powerful of its kind in the entire middle west. W. A. Gething of this city is secretary of the circuit and he has already had entry blanks printed and distributed.

A total of \$2,450 in purses will be hung up by the Stevens Point fair, for which the speed program is as follows:

Wednesday, September 8.
Three year old and under, eligible to 2:30 class trotting.....\$250
2:20 pace.....\$300

Thursday, September 9.
2:15 trot.....\$400
2:25 pace.....\$300
2:16 pace.....\$400

Friday, September 10.
2:20 trot.....\$400
2:12 pace.....\$400

M. E. Bruce, secretary of the Stevens Point Fair association, is receiving fine encouragements relative to the general exhibits, particularly those in the live stock department. The local fair is offering a bigger herd prize than any other association in the state and this fact alone is expected to attract many entries. The premium lists are now in the hands of the printer and will be out this week or next. They will offer some particularly good inducements to exhibitors in all departments.

In the line of free attractions, this year's fair will surpass all its predecessors. "The Peerless Greggs," who present a sensational act, in which two automobiles are used, are to be the head-liners. The Greggs are the peers of all "dare-devils" and their feat of looping the gap and looping a triple loop is guaranteed to give a thrill a second. There will also be other big attractions, including those on the "midway." Repairs are already being made to get the grounds in shape in plenty of time.

The people of Stevens Point and Portage county are closer to each other at present than ever before, and as the Stevens Point fair is Portage county's fair, cooperation is the mode by which it is hoped to make the 1915 fair the greatest ever held in this part of the state.

WORKING ON SEWER.

Street Foreman Anschultz and crew began work on the new Fourth ward sewer last Thursday morning, in accordance with the recommendations of W. F. Reickert, the city's consulting engineer, and are now practically through with the job. Conditions that were favorable even beyond expectations were encountered; the digging was almost wholly through sand and as a result the work went along with record speed. The sewer starts at the intersection of North Second and Franklin street, runs west for three blocks and thence on Frederick street a block and a half, connecting the Fourth ward public school and kindergarten.

SPAULDINGS GO THROUGH.

Howard Spaulding, Jr., and his "thirty million dollar bride," formerly Miss Catherine Barker, whose marriage at the bride's home in Harbor Point, Mich., last Saturday attracted nationwide interest, were passengers on Soo line train No. 3, in charge of Conductor W. E. West of this city, enroute from Chicago to Minneapolis, early Tuesday morning. The Spauldings occupied a drawing room in the Chicago depot, where a large gathering of friends waved their good-byes and a flashlight artist snapped them as they stood on the rear platform of the train, they didn't allow themselves to get in the way of the view of the curious to any great extent. The couple will spend the next year in travel, including a trip to the Orient.

IS VALUABLE WORK.

The new city directory, the work of the Farrell-McCoy Directory Co. of Rockford, Ill., was distributed among Stevens Point subscribers last week and is the most complete and most useful book of its kind ever compiled. It contains 259 pages, well printed and well bound, and has a good list of advertisers. The names of residents of the city take up nearly 150 pages, in addition to which a good list of voters and taxpayers throughout the county is given. A new feature, and perhaps the most highly commended of all, is the street directory, printed on pages 187 to 220, both inclusive, by the use of which the name of the owner or renter of any building in the city, if occupied, may be ascertained if only his address is known. There is a wealth of other information relative to the city, its people, its industries, etc., and the directory will surely fill a long felt want.

BISHOP RHODE COMING

Newly Elected Head of Green Bay Diocese Will Be in Stevens Point Next Week.

Right Rev. Paul P. Rhode, the newly elected bishop of the Green Bay diocese of the Catholic church, is coming to Stevens Point next week, when he will be the principal church dignitary at the annual reception to sisters at St. Joseph's academy.

Bishop Rhode will arrive in Stevens Point in the afternoon of Tuesday, August 10, from Chicago, and will go directly to the academy. On the morning of the following day, at 9:00 o'clock, he will be celebrant of high mass in the academy chapel, with local and visiting clergy assisting in the solemn ceremonies. At the close of the service he will receive the vows of sisterhood from over a hundred candidates, including those who will make their perpetual vows, the novices and the candidates for the novitiate.

The young ladies who have chosen to follow the sacred calling come from all parts of the nation—from Connecticut, Texas, California, Washington and many other states. Parents, other relatives and friends will be present to witness the ceremonies that mark so important an epoch in the lives of the young women, while thirty or forty priests from outside the city are also expected.

At noon on Wednesday Bishop Rhode will be the guest of honor at a dinner in the academy dining hall, at which only clergy will be present. He will leave on an afternoon train, it is expected, on his return to Chicago.

The visit of Bishop Rhode to Stevens Point is an event of peculiar interest. He is the first Polish priest ever elevated to the bishopric in the United States and his selection for that important post has been a source of great satisfaction and rejoicing among his countrymen of the same faith, of whom there are thousands in Stevens Point and immediate vicinity. However, in compliance with the bishop's request, there will be no elaborate celebration incident to his coming.

Bishop Rhode has been auxiliary bishop of the diocese of Chicago since 1904 and consequently there will be no necessity of consecration ceremonies for him when he takes charge at Green Bay. When he will be installed as bishop of this diocese has not been made public.

WEDS WHITEWATER GIRL.

Announcements of the marriage of Edward G. Lang and Miss Margaret Elizabeth Godfrey have been received by local friends. Mr. Lang is a member of the faculty of the state normal school at Whitewater, where his bride's parents, Mr. and Mrs. Thomas G. Godfrey, reside. He is a son of Mr. and Mrs. W. G. Lang, who reside on Whiting avenue, and is a graduate of the Stevens Point Normal and the University of Wisconsin. That he and his bride may be accorded many years of happiness is the wish shared by his friends in this vicinity.

AFTER STREET FAKIRS

Stevens Point Retailers' Association Stirred Up By Fraudulent Sale of Jewelry.

The Stevens Point Retailers' association is hot after the street fakir—the "skin game" kind that gathers in the shekels without adequate returns to the purchaser of his wares.

At a meeting held Monday evening, when about fifteen members were present, it was voted to make complaint to the council relative to the licensing of so-called "confidence games" and to ask for an ordinance that provides for a prohibitory fee to be paid by the street merchants.

The agitation is a direct result of a game that was pulled off about two weeks ago. A man whose chief asset was his never ceasing flow of words planted a dry goods box on the public square, after paying the present city license of five dollars, and began disposing of various articles of worthless jewelry. One of the articles was what purported to be a gold watch. This the fakir handed out by the dozens at twenty-five cents each, and the buyer, after examining his purchase, which he had been requested to keep in a pasteboard container for a certain length of time, found that the case was of solid glass, gilded to give it a metallic appearance.

Among the other business transacted at Monday's meeting was the election of delegates and alternates to the annual convention of the Wisconsin Association of Retail Merchants, at Oshkosh, August 23, 24 and 25. Secretary L. J. Seeger, John Hebal, Julius Kulaszewicz, F. M. Glennon, G. W. Andrae and Dr. G. M. Houlehan were named delegates and A. Gross, N. Miller, N. M. Urbanowski and N. J. Knope alternates.

VISIT EAGLE RIVER.

Eagle River Review: President John F. Sims, of the Stevens Point Normal school, and Harold Harris, one of St. Paul's leading lawyers, were in town the first of the week for a short outing and incidentally getting better acquainted with several tracts of land which they own in partnership. President Sims met a number of his former and present Normal students, even much farther back when in Chas. Frank and Ernie Adams he found old pupils of his when principal of the Onalaska high school.

THURSDAY'S BAND CONCERT.

The following program will be rendered by Weber's band at their weekly concert to be given at court house park tomorrow evening:

March—"Stars and Stripes Forever".....Sauer
Overture—"Down the Mississippi".....Laurence
Waltzes—"Circles".....McKee
Quintet—"Golden Gate March".....Wagner
(For Eb Clarinet and Four Saxophones)
Theo. Frank, Charley Miller and Kenneth Murnane and H. L. Bannister
Selection—"Adele".....Briquet
March—"Iron Grip".....Ames
Finale—"Star Spangled Banner".....Key

IN GOOD CONDITION.

C. S. Orthman of this city, who attended a meeting of the directors and stockholders of the Milladore State bank at that village last Wednesday, heard encouraging reports relative to the condition of the institution. Although organized only a year ago, the bank has deposits of nearly \$35,000 and assets of nearly \$45,000. At Wednesday's meeting J. Verhulst was reelected president and W. O. Dyer was again chosen cashier.

A POWERFUL X-RAY.

What is considered the best X-ray machine ever brought to central Wisconsin was received last week by Dr. C. von Neupert, Jr., and will occupy permanent quarters at St. Michael's hospital. It cost several hundred dollars but is considered well worth the price paid, as some wonderful photographs have already been developed through its aid. One of the pictures made last week was that of a lady's hand, and although the owner of this appendage had a sudden case of fright and removed her hand from the plate almost as soon as the electric power was turned on, the negative showed full outlines of a needle which had caused her considerable pain for several weeks. Even the eye of the needle could be plainly seen. An operation was performed and the steel removed.

ILLNESS WAS FATAL

Sister Patavia, Daughter of Mrs. Emma Knope, Passes Away at St. Francis' Convent.

The death of Sister Patavia, who, before entering the sisterhood nine years ago, was Miss Helen Knope of this city, occurred at St. Francis' convent at St. Francis at 10 o'clock last Thursday morning, following a three weeks' illness, culminating in internal hemorrhage. With her at the end were her mother, Mrs. Emma Knope, her sisters, the Misses Mary and Katherine, and her brother, Joseph, all of this city.

Sister Patavia was born in Stevens Point twenty-two years ago. Her early schooling was acquired at St. Joseph's parochial school and at the age of thirteen she began her studies for the sisterhood at St. Francis, where the national mother house of the Order of St. Francis is located. Four years later she took the final vows and was assigned as a teacher in a parochial school at New Berlin, Wis. During the past year she taught at Houghton, Iowa, from where she had gone on a retreat to St. Francis when taken by her fatal illness.

Requiem high mass for Sister Patavia was celebrated in the chapel at St. Francis at 8:30 o'clock Sunday morning and interment followed at 5 o'clock that afternoon in the nearby cemetery. John Knope, brother of the deceased, did not arrive from Calgary, Canada, until 7:30 o'clock in the evening, but the grave was left open so that he might view for the last time his sister's remains. Besides the members of the immediate family, Mr. and Mrs. John Massman and Mr. and Mrs. Henry Harig of this city attended the funeral.

PRESBYTERY TO MEET.

Wausau Record-Herald: The fall session of the Winnebago Presbytery of the Presbyterian church will be held in this city from September 12 to 14, the invitation being extended by the local church, in order that the governing body should be here at the time of the installation of the Rev. Dr. Williams on September 14, the Oshkosh pastor having accepted the call of the local congregation.

GIVE ANNUAL DANCE.

Sacred Heart society of St. Peter's church on Wednesday evening held its annual dancing party in Koskisko's hall in the Fourth ward and it was a fine success from every standpoint. One hundred and fifty couples were present and enjoyed a pleasing dance program, music for which was furnished by Weber's orchestra. The hall was handsomely decorated. It is announced that one half the proceeds of the party will be applied toward paying for the interior decorating of the new addition to St. Peter's church.

DEATH RATE NORMAL.

During April, May and June, 6,793 deaths were reported throughout Wisconsin. The number corresponds to an annual death rate of 11.6 per 1,000. It compares with a rate of 11.4 for 1908; 12.2 for 1909; 11.6 for 1910; 11.7 for 1911; 11.3 for 1912; 11.9 for 1913, and 11.5 for 1914. Thus the rate for the second quarter of 1915 is not higher than the average for six years. It is an average mortality rate for the season. A slight decline is reported in deaths from all the communicable diseases, except whooping cough and infantile paralysis.

DIDN'T EVEN EXPLAIN

Automobile Collides With North Side Building—Damages Will Be Demanded of Driver.

The owner of the automobile bearing Wisconsin license No. 45,993 stands a good chance of separating himself from considerable of his loose change as a result of an incident of last Sunday in Stevens Point.

Five people—two men, two women and a boy and all strangers—were passengers in a touring car that was being driven north on North Second street at about 4 o'clock in the afternoon. To avoid hitting a youngster playing in the street, the man at the wheel turned the car to the left; the turn was probably more abrupt than he had planned and as a result the machine bounced up onto the curb and collided with the blacksmith shop of Joseph Ciecholinski. The lights and fenders of the auto were quite badly damaged, while the force of the collision tore a good sized hole in the building.

Not waiting to give any explanations, the motor party, none of the members of which was injured, drove off and nothing has been heard from them since. Mr. Ciecholinski has written the secretary of state to ascertain who purchased the license above referred to and when this information is received he will demand settlement for his trouble as well as for the damage to his building.

A ROTHSCHILD WEDDING.

Rev. James Blake, pastor of the Baptist church, leaves this evening for Rothschild, where at 9 o'clock tomorrow morning he will officiate at the marriage of a former parishioner, Miss Christenia McCallin, to K. H. Patrick of Marquette, Mich. The event will take place at the home of the bride's mother, Mrs. Ed. Stuck, and, owing to the fact that the latter is in poor health, will be a very quiet affair. Miss McCallin is the second daughter of Mrs. Stuck and resided in this city for a number of years. She is a graduate of both the Stevens Point Normal and High school and during the past two years was engaged in teaching at Rhinelander, where the groom-to-be formerly taught manual training in the High school. Miss McCallin has a host of personal friends in Stevens Point and are interested in her future happiness.

BAPTISTS ENJOY PICNIC.

Members of the Baptist Sunday school, their parents, other relatives and friends, to the number of over one hundred and fifty, had what everybody agreed was a "glorious time" last Saturday, when their annual picnic was held at Yellow Banks, down the Wisconsin. Most of these in the jolly crowd went to the grounds via the Green Bay & Western railway, leaving here at 9:15 o'clock in the morning, while quite a number drove out in automobiles. A picnic dinner, bathing, boating, baseball games, pic eating contests, races and other sports were some of the things that made the day all too short. Special train service on the Green Bay road was provided for the return trip at 5 o'clock.

LEAVE FRIDAY NIGHT.

Prof. and Mrs. John Phelan and little son, John Densmore, leave Friday night for Superior, where Mrs. Phelan and son will remain for two weeks, guests of her sister, Mrs. S. M. White. Prof. Phelan will, in the meantime, conduct teachers' institutes at Friendship and Wausau, after which he will join his family and start for their new home in Amherst, Mass., where Prof. Phelan becomes professor in charge of the department of rural sociology in the Massachusetts Agricultural college. Enroute they will make a short visit at Kalamazoo, where both Prof. and Mrs. Phelan were formerly members of the faculty of the Michigan State Normal. The departure of Prof. and Mrs. Phelan is not only a loss to their friends, but to the city and county as well. That the future may be kind to them, that they may prosper and be supremely happy, is the wish that their hundreds of friends would see fulfilled.

LITTLE ONE AT REST.

The funeral of Lucile Cawley, the six year old daughter of Mr. and Mrs. M. J. Cawley of Wausau, was held last Friday morning from St. James' church of that city. The services were sublimely beautiful and impressive, taking on all the dignity and sublimity of the complete Catholic ritual. The celebrant of the solemn votive Mass of the Angels was an uncle of the little one, the Rev. John McGinley; while the Rev. J. J. Brennan acted as subdeacon. Following the mass the absolution was pronounced by Father Brennan, who then preached eloquently and with great feeling, taking as his text the words of the Redeemer, "Suffer little children to come unto Me and forbid them not, for of such is the Kingdom of Heaven." The large edifice was filled with sympathizing and kind friends of the Cawley family.

Floral offerings were immense in number and truly rich and tasteful in quality. Lucile was an unusually bright child, loved most tenderly, and will long be remembered as one who embodied in herself all those traits which make childhood ideals so amiable.

The surviving children are two sons, Harold and Forrest, and three daughters, Agnes, Evelyn and Ruth.

LAST RITES ARE HELD

The Late George Hoffman Laid to Rest Last Week—Many Floral Offerings

Funeral services of the late George Hoffman of Knowlton were held at St. Francis' church in that village at 9:30 o'clock last Wednesday morning, when a large number of friends assembled to pay a last tribute to this estimable gentleman. Among those who came from a distance were John Britz of Stockton, Mrs. W. Stark, Mrs. Thos. Malone, Mrs. Miller and daughter, Mabel, of Wausau, Mrs. Fred Blanchfield of Merrill and Mr. and Mrs. M. J. Mersch of this city.

Mass was offered up by Rev. J. J. Rolbieski of Mosinee. The pallbearers were James Allen, Chas. Heath, Chas. Lovese, Ed. Beadle, Jos. Hibbard and Adam Miller.

Floral offerings included the following: Pillow and cross, family; pillow, Mr. and Mrs. Miller; carnations and priscillas, R. N. A. and W. von Berg and families; lilies, Misses Stark; hydrangeas, Mr. and Mrs. F. Wilcox, Mrs. Jane Wilcox; cut flowers, Mr. and Mrs. F. Moldenhauer; carnations and sweet peas, Mr. and Mrs. F. Odenwalder and family; rosebuds and ferns, Mr. and Mrs. C. Phipps; dahlias and ferns, Mr. and Mrs. J. Hibbard, Earl Hibbard, Mr. and Mrs. F. Blanchfield; forget-me-nots, Mrs. R. Sparhawk; pillow, grandchildren.

Mr. Hoffman was born in the province of Alsace Lorraine, Germany, and was married there 50 years ago to Catherine Flareigh. He came to America in 1896 but returned a couple of years later to bring his family to this country. They lived in Fremont, Ill., two years, then coming to the town of Eau Claire, this county, where they resided until their removal to Knowlton township. He is survived by his widow, five daughters and a son, twelve grandchildren and four great grandchildren.

Card of Thanks.

Mrs. George Hoffman and children desire to extend their sincere appreciation to the many good friends and neighbors who so greatly assisted them during the illness and after the death of the dear husband and father. Dated at Knowlton, Wis., July 30, 1915.

A TEMPORARY DELAY

Stockton District Votes Against School Consolidation—Buena Vista Will Try Again.

The vote on consolidation in the towns of Buena Vista and Stockton last Saturday, the first election of its kind in Portage county, was a virtual victory for the pro-consolidation forces, although the question was not carried, so far as a decision to at once carry out the plan is concerned.

The number of votes cast was 255, of which but 95 were of the negative variety. However, the fact that one district—the one in Stockton—went against the question, defeated the purpose of the election for the time being. The proposition was to consolidate five districts in Buena Vista and one in Stockton and its failure was due to the fact that the Stockton residents are not in favor of joining with another town in educational matters, rather than because of any opposition to the principles of consolidation.

The Buena Vista districts have already begun a movement for consolidation among themselves. Petitions are now out and when a sufficient number of signatures is secured the school boards will meet and set the date for another election.

The vote last Saturday was large and divided as follows:

The vote by districts stood: District No. 4 in Stockton, 36 against, 16 for; district No. 1, in Buena Vista, 17 against, 40 for; district No. 2, Buena Vista, 2 against, 19 for; district No. 4, Buena Vista, 22 against, 46 for; district joint No. 8, Buena Vista, 10 against, 13 for.

CASE WAS ADJOURNED.

The case of the state of Wisconsin against A. F. Grubba of the town of Carson, who is charged with keeping his saloon open on Sunday, was adjourned for the second time when it came up in Justice Park's court last Thursday morning. The date on which he is scheduled to appear in defense of the charge is Monday, August 9.

STEEL LAYING COMPLETED.

The crew of men that had been engaged in the work of re-laying heavier steel on the Portage branch of the Soo line, completed its work last Friday and, with cars, tools and other equipment, was brought to Stevens Point Saturday morning. The work was between Westfield and Portage. The track from this city to a point about three miles south of Westfield was equipped with heavier steel last season.

CROSS COUNTRY TRIP

Stevens Point's Booster Brigade to Make Tour Through This and Other Counties.

Stevens Point's live wire business and professional men are going to carry good fellowship and entertainment into the surrounding territory on August 17 and 18, when they will make their first cross-country booster trip.

The dates were set by the public improvement and good roads committee of the Stevens Point Business Men's association at a meeting held last Wednesday evening, when tentative plans for the big event were discussed and arrangements for carrying it out made. It is anticipated that fifty or sixty men will compose the party, which will be transported through the various communities of Portage, Wood, Marathon and Waushara counties. Attractive souvenirs will be spread along the trail and some of the city's best orators will give short booster talks at the different stopping places. It is also planned to have Weber's band accompany them to give a series of concerts.

Committees appointed by C. S. Orthman, president of the Business Men's association, to complete arrangements for the trip, are: Automobiles, route and schedule—G. W. Andrus, T. H. Hanna, L. J. Seeger, A. M. Copps, L. S. Hull, W. N. Wiley; advertising—Alex. Krembs, C. G. Macnish, W. E. Atwell, Dr. J. M. Bischoff; enrollment—J. J. Normington, E. P. Trautmann, M. E. Bruce, C. E. Emmons, G. A. Gullikson.

As soon as the committees are ready, another meeting will be held, to which all who intend to make the trip will be invited to attend.

Jones, Racine; E. H. Ramm, New London; L. Hirsig, Madison; J. Kornely, Milwaukee, and R. M. Burtis, Oshkosh.

RETURNED TO REFORMATORY.

Alois Bemka, aged 20, whose home is in the town of Carson, was taken into custody by Sheriff Guyant last Monday and on the following day was returned to the Green Bay reformatory, from which he had escaped, by A. F. Greunhagen, field agent. The young man was found to be incorrigible seven or eight years ago and sentenced to the reform school at Waukesha. He was twice paroled and finally, a year ago, robbed a house in his home town, for which he was sent to Green Bay on the original commitment. He was working on a farm, under the honor system, when he escaped from Green Bay a month ago.

TO SISTER'S FUNERAL.

Mr. and Mrs. Fred Hoffman left this morning for Milwaukee to attend the funeral of the latter's sister, Mrs. Jacob Hamback, a lady who has frequently visited here, the last time only two weeks ago. Mrs. Hamback's death was very sudden, according to particulars received. She was walking along a street in her home city at 6 o'clock last evening, when she was overcome. She sat down to rest and in a few moments was dead. Mrs. Hamback was sixty-seven years of age and lived in Milwaukee thirty years, prior to which she was a resident of Plymouth. She is survived by her husband and one son, Adolph, who is employed as bookkeeper in the office of the Federal Rubber Co., at Milwaukee.

FEW NOW DIE OF OLD AGE.

Why This Is So and Why the Patriarchs Lived So Long.

Scientists who see today how few people live to be 100 years old find themselves at a loss to explain how Methuselah managed to live 969 years, while Noah reached the respectable age of 595 years. Recently, however, a discovery has been made which helps to explain this mystery.

When the causes of short life nowadays are counted up it is found that most of the deaths are due to disease. Very few people die from old age. And the reason why people die from any one disease is that they have been weakened by other illnesses which they have had or which have been handed down to them by their ancestors. For example, one widespread social scourge which weakens the constitution of many men and women today was probably unknown in primitive times.

To some of these diseases the human race has become so accustomed that it is immune. Measles will kill off a whole Indian tribe, but among the white races it is only an annoying childhood malady. But the variations of disease increase far more rapidly than the immunity.

Noah and the patriarchs didn't have nearly as many different kinds of diseases to face because they hadn't had enough ancestors to hand them down a variety. Consequently their constitutions were not constantly being weakened as are ours today. For example, there is no reference in very ancient literatures to a cold in the head. The Greeks and Romans seem to have been the first peoples to suffer from it.

The real reason why the patriarchs lived longer than we do now was because in those days the fount of humanity was fresher. While immunity to certain diseases has been handed down to us by our parents, we have also received the weakened vitality which was theirs as a result of their fight against disease. Sooner or later the race will become immune to tuberculosis, but with that immunity will come the diminished power as a result of mankind's long fight against the white plague.—Washington Post.

NATIONAL OFFICIAL BOOKS.

They Are Named by Colors and Cover a Wide Range of Hues.

British government publications are called "blue books," because they are usually bound in blue paper covers and because blue is the officially recognized color in parliament and law. In a few departments, however, "blue" books are printed in yellow covers to distinguish the department. Diplomatic correspondence with foreign countries and short acts of parliament are often left unbound, or "white," because there is no strict rule for binding any documents less than an inch in thickness.

In addition to the "blue book" there is the "red book." This contains a list of persons who hold appointments. The only other color used by England is black. A black book contains an exposure of some abuse, the name "black book" originating from the famous "black book" compiled in the reign of Henry VIII. to expose the abuses in monasteries.

In France the chief color for government publication is yellow. Although the latest French government report has been called a "black book," in reality it is published in yellow covers. It forms, in fact, one of a long set of "yellow books" which France has been issuing annually ever since the year 1861 upon the affairs of the country for the use of politicians and historians.

The chief color of Russian government publications is orange. Belgium uses gray. Italy, green. The United States blue and red. Spain and Austria red and Germany and Portugal white or drab.—New York Press.

AGED LADY IS CALLED

Mrs. Lucy Shidel, Seventy-six Years Old, Succumbs to Paralytic Stroke Thursday.

The death of Mrs. Lucy Justine Shidel, widow of the late Jacob Shidel, occurred at her home, 532 Fremont street, at 6:45 o'clock last Thursday morning, the result of a third stroke of paralysis, with which she was stricken on July 19. Mrs. Shidel was in poor health for seven years and during the last two years failed rapidly. She was cared for by her daughter, Mrs. J. L. Roy, who resided with her. Her son, F. C. Shidel, wife and son, Frederick, of Amherst, arrived in the city the day after she suffered the fatal stroke and remained with her until the end, while Miss Jessie Shidel, another grandchild, who had been visiting at St. Paul, arrived on the following Thursday.

Mrs. Shidel was seventy-five years of age on July 5. She was born in Berlin, Germany, her maiden name being Lucy Luhn, and came with her mother to this country in 1855. By way of the Great Lakes they came westward to Manitowoc, this state, and from there by ox team to Fond du Lac. She was married at the latter city in 1859 to Jacob Shidel and in 1877 they removed to Milladore, where they lived on a farm until sixteen years ago, when they came to Stevens Point. Mr. Shidel died in 1908.

Among her friends and neighbors Mrs. Shidel was held in deep affection. She was by nature kind and sympathetic, a lover of her home and her home sphere. Those who are left to mourn the death of a devoted mother are Mrs. J. L. Roy and F. C. Shidel, the latter of Amherst. Another son, John, who was an engineer on the old Wisconsin Central railway, was killed in a wreck at Des Plaines, Ill., thirteen years ago, leaving a widow and son, Harold Shidel, who now reside in Salt Lake City, Utah, where the latter is a civil engineer. Mrs. Shidel had three brothers and one sister, all of whom have preceded her to the life beyond.

The funeral was held from the residence at 2 o'clock Saturday afternoon, Rev. James Blake officiating. The pallbearers were A. J. Empey, John Hebal, W. E. Macklin, F. C. Holman, Emil Zimmer and Ed. Francis. Interment was in Forest cemetery beside her husband. Among those from outside the city who attended the funeral were: Mrs. Libby Burns, Shiocton; Mrs. John Muench and Mrs. Sarah Edwards, Fond du Lac; Mr. and Mrs. Louis Oertlib, Chilton; Adam Shidel, Milladore; Mr. and Mrs. F. C. Shidel and children, Miss Jessie and Frederick, B. E. Dwinell and family, Mrs. C. H. Dwinell and Mrs. A. E. Dwinell, Amherst.

Local Notes.

BUENA VISTA.

Miss Esther Newby has returned to her Ohio home after a fortnight spent with her grandmother and other relatives.

Rev. and Mrs. John Kendall and children left Monday morning for a week with the former's parents, who live in Viroqua.

On Thursday evening Prof. John Phelan and Miss Frances Bannach of Stevens Point presented the pros and cons of the school question at south side hall.

The good people of Buena Vista have about half of their hay crop harvested. Corn is coming along nicely and potatoes are up to any year we have ever known.

Friday evening the Y. P. S. C. of Buena Vista met at the farm home of L. A. Precourt. Lyman certainly can entertain, for the young people, one and all, said good night in a very hesitating manner.

Quite a little excitement at the noon hour Saturday, the cause being consolidation of school districts known as Bourcier, Liberty Corners, Keene, Stewart, Valley and Prairie schools. Report has it that the Prairie district doesn't want that kind of progressivism in their midst. The other districts carried with praiseworthy majorities. Much credit is to be given the good people of Liberty Corners and Keene for the effective campaign.

Mr. and Mrs. Frank Parks entertained friends at supper on Saturday evening last, in honor of Mr. and Mrs. C. E. Sulestin of Milwaukee, who are spending some time in Sherry.

E. S. Searl, who has just sold his farm near Sherry, will after his auction on the 10th of this month move his family to Grand Rapids. His two sons will make a visit to the west before deciding to settle down. It is not likely they will find a better place to live than Wisconsin.

Mr. and Mrs. Jos. Phealdman of St. Paul spent about ten days at the home of Henry Whitney, the parents of Mrs. Phealdman. While here the young couple were entertained by former friends. They enjoy getting back to the old home each year as vacation days come for the railroad man. They left Sunday morning for St. Paul.

Mrs. David Davis and daughter, Miss Mary, entertained the Embroidery club at their beautiful home near town on Thursday afternoon and there was a large attendance of ladies and quite a number of outside guests.

The work and social hour was followed by a two course luncheon and all departed feeling that a delightful day had also contributed to the charming time.

BANCROFT.

Warnie Ellis is very low at this writing.

Mrs. Wm. Krake is numbered with the sick.

Better plan to attend the circus at Plainfield, August 12.

Chas. Freda was found dead in his home in our village Saturday afternoon. He was laid to rest Sunday morning in the Bluff cemetery.

Mrs. Ed Cornwell and children, Mrs. Will Clark and son, Erwin, and little Ren Jackson spent last Thursday at the Wm. Krake home.

JUNCTION CITY.

Sheriff Guyant was in town for a few hours on business recently.

We note by the papers that the Kaiser's army is trying very hard to put war in Warsaw.

Dr. G. F. Murphy went to Stevens Point recently to attend to a few business matters.

The farmers in our vicinity are not crying about the poor crops that they are about to reap, but about too much rain.

Operator A. Dagget went to Ashland to resume his duties as first trick operator for a few days and from there on to Ironwood, Mich., for the rest of the season.

It is known that the Junction City saloons are now closed on Sundays.

But the strangest thing connected with the dry Sunday affair was that half the saloonkeepers couldn't find their keys to close up, when the final word of law was confirmed.

Perhaps for the past fifteen or twenty years the locks on the doors never had the chance to get acquainted with their friend, the key, so we're advised that they had to use chairs to block the doors. Citizens hope that they'll find their keys.

The Junction City baseball team crossed bats with Rudolph nine last Sunday. Rudolph played good until the first half of the seventh, when the infield as well as the outfield exploded and the scorekeeper wore out one of his pencils marking errors, and as a result, the score was 14 to 0 in favor of the Junction team. The opposing sharpshooters were Skibba, the winner, and Werner, the loser.

Junction City has witnessed a feat that no movie actor would ever dare to perform, no matter what the reward offered. It happened last Sunday when No. 24 Soo time freight was pulling out. Four young men of Stevens Point tried to board the train; they aimed for the grab irons on the side of the box car to save a few cents by not purchasing tickets. However the three got on safely by a desperate chase along the platform, but the fourth one?—Well it was between death and the deep blue sea. He got hold of the grab iron fair enough, but owing to the fast movement of the train it swung him under the following car and dragged him where he had only one hand on the handle between the tracks and platform. Every time he wanted to raise himself the platform interfered, so it looked to the twenty-five or thirty spectators as if he would not hold out, but would be dragged under the moving cars. As fate would have it, he finally pulled himself up, and got between the cars. This was the last that was seen of him. If he is alive today, he certainly can congratulate himself on his strength and his cool head, otherwise it would be a sad story to tell. He was one out of a thousand that have beaten death to its claims.

KNOWLTON.

George Perry and R. Nuff, two of Knowlton's best known citizens, are quite ill.

Mr. and Mrs. Gene Parker and children are here from Wausau for a two weeks' stay with friends.

The Knowlton friends of the M. H. Altenburg family at Dancy extend sympathy in their late bereavement.

Mrs. A. Knoodler of Mosinee and guest, Miss Margaret Glassau of Wausau, enjoyed Saturday here with Mrs. Knoodler's daughter, Mrs. Walter Guenther.

Mr. and Mrs. Sam Cummings and children of Plainville, Wis., are expected at Knowlton Thursday for a few days' visit among friends. They will make the trip by auto.

Mrs. Harry Shipway and brother, Chester Winslow, returned to the former's home at Big Flats, Wis., last Thursday. They were here to attend the funeral of their grandfather, the late George Hoffman.

The funeral of George Hoffman was held from the Catholic church last Wednesday morning. Jas. Allen, C. Heath, E. C. Beedle, C. Lovese, J. Hibbard and A. Miller acted as pallbearers. The floral offerings were many and beautiful.

RUDOLPH.

Mr. and Mrs. Frank Schalfout were visitors at Wausau Sunday.

Mr. and Mrs. Elmer C. Crotteau drove to Plainfield Monday to visit relatives.

Miss Ila Richards, who had been visiting relatives here the past week, returned to her home in Grand Rapids, Monday noon.

Mrs. G. W. Baker, Sr., and grandson, Loyal Baker, and Mrs. Paulowit of Grand Rapids were Sunday visitors at the N. G. Ratelle home.

Mr. and Mrs. F. S. Root and baby, accompanied by Mr. and Mrs. K. J. Marceau and baby, autoed to Stevens Point Sunday, via Junction City.

They made the trip in Mr. Root's car.

Mrs. G. Elliott and Miss Ila Richards of Grand Rapids went to Wausau Saturday night and remained until Sunday night, visiting relatives and friends.

MEEHAN.

Donald Fox spent last Sunday over near Amherst Junction with friends.

Several went from here over to Lake Emily Saturday to attend the Old Settlers' gathering.

Mrs. Sarah Smart, from near Spooner, is making her brother, Harry Slack, a visit this week.

The Sunday school will hold its annual picnic at the church grounds, August 14. A program is being prepared for the occasion.

Frank Prune of Grand Rapids, who recently bought a farm here, is moving in and will occupy the Barney Galecki house for a while.

Mr. and Mrs. J. H. Fields and Mr. and Mrs. J. L. Fields and families of Plainfield autoed up here Sunday and spent the day visiting with relatives.

A letter from E. L. Bailey of Fall Brook, Cal., states that Miss Ollie Hawley, who has friends here, is very ill and her death is expected at any time.

PLAINFIELD.

At ten o'clock this morning, Stanley E. Kellar and Miss Frederica Kuhl were married at the home of the bride's mother, Mrs. C. Kuhl, on Main street. The marriage ceremony was performed by Rev. R. H. Weller, in the presence of the immediate relatives of the contracting parties only. They will make this city their future home.

The foundation has been laid and work commenced on the main structure of a new parochial school in St. Joseph's parish, this city. The present building will be 32 x 48 feet, two stories, and will be divided into four rooms. Rev. F. X. Aug. Stemper, the pastor in charge, expects to have everything in readiness to open school about the 15th of September.

A musical, under the auspices of St. Monica's Ward of the Episcopal church, will be given at the residence of Mrs. Emmons Burr, tomorrow evening, August 7. Those who will take part in the program are Howard Welty, Florence Curran, Georgia Cate, Genevieve McDill, Edith Clark, Madge Hubbard, Mabel Little, Mamie Potter, Inez Welch, Nellie Rhoades, Ruth Clark, Naomi Clark, Winnie Lamb, Minnie Johnson, R. Tascher, Ethel Kirwan, Chauncey Jones, Henry Rivers, Gustave Gstoettner, Maud Williams, Fritz Krembs and F. W. Cooley.

FARMERS' DAY.

The third annual farmers' day will be held at the Marshfield branch experiment station on Friday, August 13. Professor F. L. Musbach, who has charge of the station, has prepared a program that will certainly appeal to every one who is interested in farming and farm life. Among the important subjects which will be discussed by competent speakers are the following: Care of the dairy and its products; tricks for the housewives; farm crops.

A special program has been prepared for the boys, including games, sports and other instructive exercises. The program begins promptly at 10:30 in the morning. The station is located 2½ miles from the city on the main Marshfield-Grand Rapids road. Automobile owners coming from either city will follow the Yellowstone trail, which passes by the station.

Be wise! Advertise your wants in the paper that brings results—The Gazette—and watch the returns.

RESIDENCE PROPERTY SOLD.

Martin E. Razner, who recently sold his lot at the corner of Main and Fremont streets to the Normal school regents as part of the site for the new dormitory, also disposed of the cottage on the property, the purchaser being Frank Trzebiatowski of Sharon township, who owns several acres of ground at the north end of Fremont street and will move the building thereon. The latter gentleman, who is a wealthy farmer, will undoubtedly move to this city next fall and retire from active labors. Mr. Razner is building a new home at the corner of N. First and Portage streets, which he expects to have completed within another month.
